

Welcome to Your Smart Home

Home Management at Your Fingertips

What does your Riverwalk home purchase include?

Schlage Z-Wave Lock

Grade 1 residential lock, which allows you to access your home via the app. The fingerprint-resistant touchscreen allows up to 30 personalized user codes at a time and can be paired with the Amazon Alexa.

Z-Wave Garage Door Control

Manage your garage door on the MyQ or through the app. The garage opener includes an industrial-strength chain drive. Safety sensors protect your vehicle and family.

Honeywell Thermostat

Z-Wave capabilities allow thermostat adjustment on the Honeywell Home or with the app. This thermostat also features three different temperature schedules to best suit your lifestyle.

Skybell Doorbell Camera

The doorbell camera features a built-in microphone and speaker for two-way audio communication. Low light color images allow around the clock home surveillance. Monitor your home on the SkyBell or via the app.

Samsung SmartThings Hub

Turn your home into a smart home with a SmartThings Hub. Connect wirelessly with a wide range of smart devices and make them work together. Monitor and control connected devices in your home using the app.

What are the benefits of smart home technology?

Save on homeowners insurance
Reduce electric bill

Maximize home security
Increase convenience with Amazon Alexa
